

**LIGHT UP
YOUR WORLD**

WE ARE LIGHTING LIFE.

We **embellish people's lives** by creating **harmonious urban environments** using spectacular lighting.

We **connect our products** with technology to improve people's lives **every day.**

SEE HOW

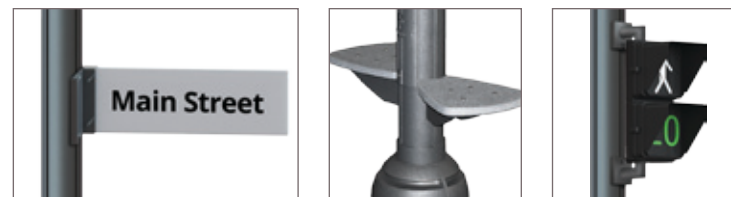

our lighting helps citizens
WORK, LIVE, LEARN AND PLAY.

WORK

LIGHTING LIFE

For early risers, night owls—and everything in between, Lumca lights don't just work. They are works of art.

SMART POLE FOR SMART CITIES

We connect citizens to the cities they live in with the latest technology available. Our lighting not only makes people's lives a little brighter but also much easier.

Lumca provides more than just lighting. We connect people to the services that matter the most to them. With our fully integrated Smart Pole solution, the only limit is your imagination.
