

CITII & COSMO

Never compromise on city style.

Lumca
LIGHTING LIFE

Your design deserves the ultimate in city style.

Discover Lumca's new Citii and Cosmo, ultra-refined lighting solutions that combine refined looks, unmatched functionality, remarkable modularity and optimized performance. Create stunning backdrops and atmospheres that will be showpieces for years to come. What's more, the tenons for both solutions have been designed for integration with Lumca's Smart Pole and are smart-city-ready.

CITII

Meet Citii, a sleek new line of LED lights that blend in harmoniously in any contemporary urban design. A touch of muted luxury that goes a long way.

COSMO

Say hello to Cosmo, a revamped take on a popular classic in urban lighting. Cosmo pays tribute to lanterns of by-gone eras, with a modern twist. Add elegance and prestige to any city landscape.

AESTHETIC POLES AND BASES

With Lumca, designers never have to compromise on style for functionality. Available in diameters of 4" and 5", our aesthetic poles and bases nestle much of our backend electrical and technological components so that they stay out of sight and remain secure.

NON-LUMINOUS COLOR ACCENTS

Our non-luminous customizable color accents are ideal to create sections and a feeling of dedicated spaces in urban designs.

BOLLARDS

No matter what lighting concept you have in mind, Lumca offers a wide range of bollards that pair perfectly with Citii and Cosmo. Mix and match our products for a truly unique look. Versatility at its best!
